This event is open to all street legal motorcycles at least 30-years old. Entrants will be required to complete a 20-mile road course loop to be eligible. A certification stop will be required half way through the ride. A chase vehicle will be available to pick up any non-finishers. Upon return, eligible bikes will be parked in an impound area for judging. No wiping or polishing will be allowed in the impound area. We want to see rare bikes in riding condition, so bugs and dirt from the ride are considered a plus!
