**Quincy is about 90 miles north of Lake Tahoe (Hwy 89) in the California High Sierras.** The fairgrounds rally site includes RV water/electric hookups (dump station available), with tent camping and plenty of bathrooms with clean showers. The friendly town of Quincy has lots of motels, stores and great restaurants.

**Plumas County includes** the famous Hwy 70 Feather River Canyon, over/under Pulga and Tobin train bridges, and is home of the Western Pacific Railroad Museum in Portola. Besides routes to Lake Almanor and Mt. Lassen, there are fantastic roads to other high mountain lakes and amazing vistas.

**Our INOA rally includes** multiple organized rides, lunch on the road and dinners, morning coffee, beer garden, rally t-shirts, pins, movies, tech sessions, speakers, field events, Concours, live music and more. The NCNOC has always been part of the San Francisco Bay Area British Motorcycle motorcycle scene and we invite ALL British riders to our 2016 INOA rally, **including** Nortons. We aren't getting any younger and now's the time to ride em while we still can!
