## March Club Meeting – March 30th at John Skaras' residence

[Click here](#) for map to John's residence located at 1350 Crooked Stick Dr, Prosper, TX 75078.

John has graciously offered to provide us with some Greek Food.

Members and guests are encouraged to arrive at noon to socialize, meet new members and guests, and look over the assortment of antique and modern bikes. The reading of the minutes and a lively discussion about our club's activities and interests starts at 2:00 pm.

## Cabins Available for the NTNOA Hill Country weekend April 10th - 13th

This is the club's traditional spring event where we enjoy some fabulous riding in the Texas Hill Country, including the famous "Three Twisted Sisters".

We still have a few cabins available at the Leakey Inn, so move quickly and contact club member Penny Martin at [pcd1161@aol.com](mailto:pcd1161@aol.com) to make your reservation.

## Cabins at the Land of the Pines Rallye - October 10th - 12th

Those who attended the February meeting at Jody McClure's will have heard about the new policy for LOP cabin assignments. In summary, rather than automatically giving preference to those who had a cabin the year before, preference will be given to those who play a significant role in the planning and operation of the rallye.

The remaining cabins (there will be five available this year), will be assigned by drawing names from a hat. This will be done at the March meeting. If you want your name in the hat for the cabin draw, then [send an email to bowman@ntnoa.org by end of day Thursday March 27th](mailto:bowman@ntnoa.org). The email should include the total number of people you want to accommodate in your cabin. We ask that you only take part in the drawing if you definitely want a cabin because if you win, the cabin will be yours.
